Our mission:

To strengthen community by embracing our diversity, united in the belief that what we have in common is greater than our difference.

Who are we?

A diverse group of Marshalltown residents who are committed to the mission. We acknowledge the immigrant in each one of us, whether recent or generations ago, and the potential for each of us to stand up as an ally for one another.

What do we do?

Through educational and awareness events, we provide opportunities for the public to learn about issues affecting our immigrant neighbors, and for diverse groups to come together. We offer resource & referral for immigration-related issues, and advocate for positive change.
